

The Michigan 23+ Adult Diploma & Training Program

High School Completion

The Michigan Department of Talent and Economic Development has partnered with Graduation Alliance to provide an online program for adults to complete their high school diploma. Graduation Alliance is able to offer this program for free to residents through a state funded initiative with Michigan's Talent Investment Agency.

Diplomas are given through AdvancEd <http://www.advanc-ed.org/>.

Requirements to participate:

- Michigan Resident
- 23 years or older
- Must have completed 10th grade

Training is also available through the Graduation Alliance Program.

Construction Pathway-Students can earn a NCCER Core Certificate by completing a one day face to face training.

Healthcare Pathway- Students have the opportunity to earn a Caregiver Core Certificate.
